INDEPENDENT AUDITORS' REPORT

Board of Directors
Otsego County Capital Resource Corporation
Oneonta, New York

Report on the Financial Statements

We have audited the accompanying statements of net position of the Otsego County Capital Resource Corporation ("OCCRC") as of December 31, 2013 and 2012, and the related statements of revenues, expenses and changes in net position, and statements of cash flows and the related notes for the years then ended.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to OCCRC's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OCCRC's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of OCCRC as of December 31, 2013 and 2012, and the respective changes in financial position and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on Pages 3 – 5 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, and historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the method of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming an opinion on OCCRC's financial statements as a whole. The schedule of supplemental bond and note information and the schedule of full-time equivalent (FTE) jobs created and retained in the other financial information section are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplemental information that are required by the Office of New York State Comptroller. The schedules are the responsibility of management and were derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 5, 2014 on our consideration of the OCCRC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the OCCRC's internal control over financial reporting and compliance.

Financial Statements

OCCRC's financial statements provide readers with a comprehensive reporting of OCCRC's 2013 and 2012 transactions and balances. The difference between the assets and liabilities are reported as net position. Increases or decreases in net position are an indicator of strengthened or weakened financial position.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the basic financial statements.

Financial Analysis

There were no operating revenues for OCCRC for fiscal year 2013. This was a decrease of approximately 100% over the prior year. Net income produced a decrease in net position of \$3,215. At the close of fiscal year 2013, OCCRC had net position of \$510,223, a decrease of .63% over the prior year, which was attributable to operating expenses.

Accomplishments

2013 was a quiet year for OCCRC; the corporation engaged in no tax-exempt bond financing in 2013.

Economic Factors

2013 continued to be a difficult economic environment, on the global, national and local levels. Commercial lending continued to lag, hampering the access to capital many businesses need for growth and stability. However, historic low interest rates created a market for local Not-for-Profits to continue to finance and refinance debt associated with expansion projects. The following is a 2013-2012 comparative summary of OCCRC financial statements, showing the decrease in net position:

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2013

NOTE 1 ORGANIZATION

Otsego County Capital Resource Corporation (“OCCRC”) is a New York State Corporation organized under New York State Not-for-Profit Corporation Law and is located in Oneonta, New York. OCCRC’s mission is to assist local economic development efforts by promoting community and economic development and the creation of jobs in non-profit and the for profit institutions. OCCRC provides access to low interest tax-exempt and non tax-exempt financing for eligible projects in Otsego County. Currently OCCRC does not administer any direct business assistance. Otsego County is the sole member of the corporation.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation and Accounting – OCCRC follows enterprise fund reporting. Enterprise funds are proprietary funds used to account for business-like activities provided to the general public. All enterprise funds are accounted for using the accrual basis of accounting. Revenues are recognized when they are earned, and expenses are recognized when they are incurred.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services in connection with a proprietary fund’s principal ongoing operations. The principal operating revenues of OCCRC’s enterprise fund is bond fees. Operating expenses for the enterprise fund includes bond issuance costs and administrative expenses. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

The basic financial statements of OCCRC have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant of OCCRC’s accounting policies are described below.

Income Tax - OCCRC is a governmental instrumentality of Otsego County under IRS revenue ruling 57-128 and therefore pursuant to Section 115 of the Internal Revenue Code is exempt from filing income tax returns. No provision for income taxes has been provided for in the financial statements.

Statements of Cash Flows - For the purpose of the statements of cash flows OCCRC considers cash to be all unrestricted and restricted cash accounts including demand accounts.

Use of Estimates in Preparation of Financial Statements - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions. This affects the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of revenue and expenditures during the reporting periods. Actual results could differ from those estimates.

1. Invested in capital assets – Consists of capital assets including restricted capital assets, net of accumulated depreciation.
2. Restricted – Consists of net assets with constraints on the use either by (a) external groups such as creditors, grantors, contributors, laws or regulations of other governments, or (b) laws through constitutional provisions or enabling legislation.
3. Unrestricted – All other net assets that do not meet the definition of “investment in capital assets” or “restricted.”

Subsequent Events – OCCRC has evaluated subsequent events through May 5, 2014 which is the date these financial statements were available to be issued.

NOTE 3 REVENUE BONDS

OCCRC facilitates the issuance of tax-exempt and non-tax-exempt revenue bonds and notes. The bonds and notes are not the obligations of OCCRC or the State of New York. For providing this service, OCCRC receives bond administration fees from the borrowing organizations. This administrative fee income is recognized immediately upon issuance of bonds and notes. INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Otsego County Capital Resource Corporation

We have audited in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Otsego County Capital Resource Corporation ("OCCRC") which comprise the statements of net position as of and for the years ended December 31, 2013 and 2012, and the related statements of revenues, expenses and changes in net position and statements cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 5, 2014.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered OCCRC's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of OCCRC's internal control. Accordingly, we do not express an opinion on the effectiveness of OCCRC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of OCCRC's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

MEMBERS: American Institute of Certified Public Accountants,
New York State Society of Certified Public Accountants, National Conference of CPA Practitioners

Compliance and Other Matters

As part of obtaining reasonable assurance about whether OCCRC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of OCCRC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering OCCRC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of Otsego County Capital Resource Corporation's audit committee, management, State of New York, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
