Additional Comments

The Board of Directors reviewed and approved this report at the March 25, 2021 Board Meeting. However, it was pointed out for the Bassett Hospital project, the very first payment made on the bonds by Bassett was not recorded back in fiscal year 2018. There was actually a payment of \$60,000 which wasn't recorded. In addition, on our Hartwick College, the payment made on the bond in 2016 of \$625,000 also was not recorded. In e-mails back and forth between our office and the Authority Budget Office it also appears that two of the initial bonds were recorded with the wrong amounts dating back to 2015. Also, debt retired in 2018 was also not accurately reported. We are working with the ABO to correct these issues. The Board reviewed the recommended changes suggested by the ABO and schedule of debt has been modified.
