SIMPLE IRA

Plan Sponsor Guide

Everything you
need to establish
or amend an
American Funds
SIMPLE IRA plan

To establish a new plan or move an existing plan to American Funds

1. Complete the two required forms in this booklet – the *Online Group Investments (OGI) Contributions Agreement* and the *Adoption Agreement* – and send them to American Funds.

2. Notify eligible employees about the plan.

Timing

New plans – You may choose an effective date between January 1 and October 1 and must notify employees on or before the plan's effective date. The notification date is the start of the plan's enrollment period. Employees must be given at least 60 days to enroll in the plan.

Existing plans – Existing plans can only be amended effective January 1 of any given year. You'll need to notify employees before November 2 (the start of the annual enrollment period).

Note: If you are moving an existing SIMPLE IRA plan to American Funds, employees will need to re-enroll and provide new elections. The plan will be considered an amended plan.

Distribute the following materials to all eligible employees

- *Employee Guide**
- *Salary Deferral Election*
- *Notification to Eligible Employees*†
- A copy of the plan's *Summary Description*†

You may want to ask your financial professional for assistance.

*If your plan will be invested in Class F-2 shares, provide the *F-2 Share Account Application* and *SIMPLE IRA F-2 Share Class Supplement*.

†Complete the information before distributing.

3. Collect the completed *Salary Deferral Election* forms and SIMPLE IRA applications.

4. Send the completed SIMPLE IRA applications to American Funds. If the company is paying the account setup fees, include a check for \$10 for each new participant establishing account(s).

Note: If your plan offers Roth salary deferral contributions, a participant's pre-tax and Roth SIMPLE IRA are considered the same IRA type. Only one setup fee and one annual fee are charged for the participant.

5. In preparation for your plan's first contribution, review the contribution information that follows on the next page.

Next steps

- Once the *Contributions Agreement* and the *Adoption Agreement* (both required) are completed and received, we will establish your retirement plan and provide you access to our OGI website.
- An email will be sent to each employer contact (and the third-party remitter, if applicable) with the website address, a user ID and instructions for getting started.
- After signing on to the OGI website, the contacts will have access to all of the tools they need to submit contributions.

If mailing, choose the service center for your state. Mail the form to the Indiana Service Center if you live outside the U.S.

Contribution information

Employer contributions

Annual employer contributions are required. All employer contributions must be made on a pre-tax basis.

You can choose:

- a) Dollar-for-dollar match made for each eligible employee who is contributing to the plan (limited to 3% of the eligible employee's compensation)

You can even adjust the match contribution to as little as 1% of participating employees' compensation – but for no more than two calendar years in any five-year period.

OR

- b) Nonelective contribution equal to 2% of each eligible employee's compensation per year. This contribution is made even for those eligible employees who don't make contributions on their own.

You are allowed to switch between the match option and nonelective contribution option annually.

You also have the option to make additional nonelective contributions above required matching or nonelective contributions. This additional contribution must be made to each eligible employee.

Employee qualifications and contributions

Generally, employees who earned at least \$5,000 per year during any two preceding years and who are expected to earn at least \$5,000 in the current year are eligible to participate in the plan. You can use less restrictive requirements, but not more restrictive ones.

Smaller employers (no more than 25 employees)

If you have no more than 25 employees (who received compensation of at least \$5,000 in the preceding year), higher employee salary deferral and catch-up contribution limits generally apply.

Larger employers (more than 25 employees)

If you have more than 25 employees (who received compensation of at least \$5,000 in the preceding year), higher employee salary deferral and catch-up contribution limits apply if you increase the required matching contribution from 3% to 4% or the nonelective contribution from 2% to 3%. Otherwise, regular limits generally apply.

If you are interested in offering higher limits, use the *Notification to Eligible Employees (4% matching or 3% nonelective employer contributions)*, available at www.capitalgroup.com/simpledisclosures.

For more information on salary deferral and catch-up contribution limits, refer to Section 4 of the *Notification to Eligible Employees*.

Employee contribution types

Eligible employees are always allowed to make pre-tax salary deferral contributions. In addition to pre-tax salary deferral contributions, you may optionally offer Roth salary deferral contributions. (See Section 4-A of the *Adoption Agreement*.)

Remitting contributions online

You are required to remit contributions through the OGI website, which makes your payroll contribution process secure and efficient. Complete the *Contributions Agreement* to establish online access.

Funding deadlines

The Department of Labor requires employers to remit employee contributions in a timely manner. Employee contributions must be remitted as soon as they can be reasonably segregated from company assets. For most SIMPLE IRA plans, employee contributions deposited no later than the 7th business day following withholding by the employer will be considered timely.

Employer matching or nonelective contributions must be made by the employer's tax filing deadline (including extensions) for the applicable tax year.

All accounts are immediately vested.

To amend your plan

If you have an existing SIMPLE IRA plan, changes to the plan may require the plan to be amended.

Your SIMPLE IRA plan must be amended if you are changing eligibility requirements and/or adding or removing the Roth salary deferral option.

Existing plans can only be amended effective January 1 of any given year. You'll need to notify employees before November 2 (the start of the annual enrollment period).

Note: Until the amendment takes effect, the Internal Revenue Service requires the plan to continue to operate as is for the current calendar year.

1. Complete the *Adoption Agreement* and send it to American Funds. Complete all relevant sections, not just those you are updating. Keep a copy for your records.

2. Communicate the plan changes to all eligible employees prior to November 2 (the start of the annual enrollment period) by providing the following forms:

- *Salary Deferral Election*
- *Notification to Eligible Employees**
- A copy of the plan's *Summary Description**

You may want to ask your financial professional for assistance.

3. Collect the completed *Salary Deferral Election* forms and SIMPLE IRA applications. If your plan will offer Roth salary deferral contributions, and an existing participant elects Roth salary deferrals for the first time, they will need to complete an application (located in the *Employee Guide*†) to establish a Roth SIMPLE IRA.

4. Send the completed SIMPLE IRA applications to American Funds. If the company is paying the account setup fees, include a check for \$10 for each new participant establishing account(s).

Note: If your plan offers Roth salary deferral contributions, a participant's pre-tax and Roth SIMPLE IRA are considered the same IRA type. Only one setup fee and one annual fee are charged for the participant.

*Complete the information before distributing.

†If your plan is invested in Class F-2 shares, provide the *F-2 Share Account Application* and *SIMPLE IRA F-2 Share Class Supplement*.

Everything you need

All the forms and documents you need to establish and operate your SIMPLE IRA plan are here.

Documents required to set up your plan

We need to receive both the *Contributions Agreement* and the *Adoption Agreement* at the same time. Keep a copy of each for your files.

6 | Online Group Investments (OGI) Contributions Agreement

SIMPLE IRA plan contributions are submitted electronically through the OGI website. Use this form to set up electronic submission via Automated Clearing House (ACH) and to designate the contacts who will have access to the OGI website.

8 | Adoption Agreement

This form is required to establish or amend your SIMPLE IRA plan.

Ongoing operation – what information do I need to give to my employees?

We will provide copies of the following materials before the start of each annual enrollment period to help meet notice requirements.* Distribute them to each eligible employee.

10 | Notification to Eligible Employees

This document informs employees of their eligibility to participate in the plan; specifies the salary deferral contribution type(s) (pre-tax only or pre-tax and Roth) and limits allowed by the plan; and announces the type of employer contribution you will make for the next plan year. Complete this document before distributing it to eligible employees.

12 | Summary Description

This covers the plan's provisions, including eligibility requirements. Complete this document before distributing it to eligible employees.

- Plan information: Provide the name of the company, address, EIN and employer contact.
- Eligibility requirements: Complete if applicable. Refer to Section 3 of your plan's *Adoption Agreement* if necessary.

14 | Salary Deferral Election

Employees use this document to indicate whether they wish to start, maintain or change salary deferral elections. You do not need to complete this document before distributing it to eligible employees.

The enrollment period is generally the 60-day period immediately preceding January 1 of a calendar year (November 2 to December 31). However, the dates would change if the 60-day period falls before the first day an employee becomes eligible to participate in the plan.

II. Eligibility Requirements

You are eligible to participate in this Savings Incentive Match Plan for Employees ("SIMPLE") IRA Plan (the "Plan") if

- you received at least \$5,000 (or a lesser amount if noted here

\$ _____) in compensation as defined under the terms of the Plan ("Compensation") from your employer during any

two (or lesser number if noted here _____) prior years and

- you are reasonably expected to receive at least \$5,000 (or a lesser amount if noted here

\$ _____) in Compensation during the current year.

You are not eligible to participate in this SIMPLE Plan if you fall into one of the categories listed below unless the box next to the description has been checked.

A. ☐ Collectively Bargained Employees

Employees who are part of a collective bargaining unit may be excluded from participation in this Plan if retirement benefits have been the subject of good faith bargaining between the collective bargaining unit and the employer.

B. ☐ Nonresident Aliens

Employees who are nonresident aliens who receive no taxable income from sources within the United States.

III. Contributions

Contributions made to your SIMPLE Individual Retirement Account ("SIMPLE IRA") can be Employee pre-tax deferrals (and/or Roth deferrals, if permitted) and your employer's Matching Contributions or Nonelective Contributions, as described below. No other contributions may be made to your SIMPLE IRA. All contributions made to the Plan, and the earnings, are fully vested and nonforfeitable.

A. Employee Deferrals

Pre-Tax Deferrals

Once you are eligible, you may direct your employer to contribute a portion of your Compensation on a pre-tax basis to your SIMPLE IRA by completing a Salary Deferral Election.

Roth Deferrals

Once you are eligible, your employer may elect to permit you to direct a portion of your Compensation on a Roth basis to your SIMPLE IRA by completing a Salary Deferral Election.

Higher Deferral Limits

Higher deferral limits (110% of the limits that would otherwise apply) apply to employers with no more than 25 employees who earned at least \$5,000 in the prior year. The higher limits also apply to employers with more than 25 employees who earned at least \$5,000 in the prior year, but only if the employer elects to provide a 4% matching or 3% nonelective contribution.

B. Employer Contributions

Your employer must also make contributions to each eligible Employee's SIMPLE IRA. Your employer will notify you each year of the type and amount of contribution.

Matching Contributions

If your employer chooses to provide Matching Contributions, your employer will match your deferrals on a dollar-for-dollar basis up to 3% (but not less than 1%) of your Compensation for any year. Your employer may contribute less than a 3% match (but not less than 1%) in no more than two out of every five years.

Example

Here is an example of a valid election to provide a reduced match in no more than two out of every previous five years. Please note that in every grouping of five years, the 3% match was provided to Employees at least three times.

Year 1	3% of Compensation
Year 2	1% of Compensation
Year 3	2% of Compensation
Year 4	3% of Compensation
Year 5	3% of Compensation
Year 6	3% of Compensation
Year 7	1% of Compensation

Nonelective Contributions

In lieu of Matching Contributions, your employer may elect to contribute 2% of Compensation to your SIMPLE IRA, whether you elect to make contributions or not.

Additional Nonelective Contributions

Your employer may make additional nonelective contributions of up to 10% of Compensation, not to exceed \$5,100 in 2025 (indexed for inflation).

IV. Employee Elections

The enrollment period for each Plan Year runs from November 2 through December 31. During this time, once you are eligible, you will have the opportunity to make an election to participate in the Plan or, in subsequent years, to change your deferral election. You may elect to stop participating in the Plan at any time during the year. Your Plan may require you to wait until the beginning of the following year to restart contributions once you stop. Check with the employer contact listed in Section I of this summary for the Plan rules.

V. Withdrawals, Rollovers and Transfers From the Plan

Contributions made on your behalf to a SIMPLE IRA may be withdrawn, rolled over into another IRA or transferred to another IRA as provided below. To initiate a withdrawal, rollover or transfer, call **(800) 421-4225** to request the appropriate form.

A. Withdrawals

You may withdraw the Employee and employer contributions made to your SIMPLE IRA, including the earnings thereon, at any time. However, if you take a distribution prior to the time that you attain age 59½, you may be subject to a penalty of either 25% or 10%, depending on how long you have been a participant in the Plan. There are certain exceptions to the 25% and 10% early withdrawal penalties.

Pre-Tax Deferrals and Employer Contributions

Withdrawals are taxed as ordinary income.

Roth Deferrals

Withdrawals of contributions are not taxed, but any associated earnings may be taxable if the withdrawal is not qualified. A withdrawal is qualified if the distribution occurs more than 5 years after you establish your first Roth IRA, and **1)** you have reached age 59½; **2)** the distribution is due to your disability or death; or **3)** the money is used for certain expenses to purchase a first-time home.

For more information on withdrawals, you may obtain IRS Publication 590-B by calling (800) TAX-FORM or by accessing the IRS website at www.irs.gov.

B. Rollovers

You may roll over your SIMPLE IRA held with Capital Bank and Trust Company (CB&T) to another SIMPLE IRA with another custodian at any time. You may roll over pre-tax contributions and associated earnings to a traditional IRA and Roth contributions and associated earnings to a Roth IRA only after the two-year period beginning from the time you first participated in this Plan.

C. Transfers

CB&T is the designated financial institution of your employer's SIMPLE IRA Plan. You may transfer your contributions (both your salary deferrals and your employer's contributions) to another trustee or custodian without cost or penalty by notifying CB&T when you initially establish your SIMPLE IRA account, or at any other time, by using the CB&T SIMPLE Transfer Election form. CB&T will process this request without cost or penalty, provided you meet certain transfer requirements.

Prior to the transfer, the contributions (both your salary deferrals and your employer's contribution) that you want to transfer may only be invested in A or F-2 shares of American Funds U.S. Government Money Market Fund so that the transfer may occur without cost or penalty to you. If you elect not to invest in A or F-2 shares of American Funds U.S. Government Money Market Fund but in another American Funds mutual fund or share class for which a sales charge or a contingent deferred sales charge is applicable, you may also transfer these contributions, but the transfer cannot be made without cost or penalty, since the sales charge will not be refunded.

To initiate such a transfer, contact the new trustee or custodian to obtain the appropriate forms. CB&T will complete a "custodian to custodian," or similar transfer, of all or a portion of your SIMPLE IRA account balance upon receipt of the recipient institution's acceptance of the SIMPLE IRA account. If your contribution was invested in a mutual fund class of shares subject to a sales charge or a contingent deferred sales charge, then the sales charges will not be refunded.

Terms and Conditions

American Funds Distributors, Inc.* hereby establishes this Savings Incentive Match Plan for Employees ("SIMPLE") for use by eligible Employers who wish to establish a SIMPLE for their Employees. Upon execution of an Adoption Agreement by an Employer, a SIMPLE IRA Plan, which incorporates by reference both this document and the American Funds SIMPLE Individual Retirement Account Custodial Agreement ("SIMPLE IRA"), collectively referred to as ("SIMPLE IRA Plan"), is established. The Custodian will serve as the Designated Financial Institution for the SIMPLE IRA Plan and as Custodian of each SIMPLE IRA that must be established by or on behalf of Participants. This SIMPLE IRA Plan is intended to comply with §408(p) of the Internal Revenue Code of 1986 ("Code"), as amended, and the applicable provisions of the Employee Retirement Income Security Act of 1974, including all regulations thereunder.

Article I — Definitions

1.1 "Adoption Agreement" means the document attached to this Plan through which the Employer establishes a SIMPLE IRA Plan.

1.2 "Compensation" means wages, tips and other compensation from the Employer that are subject to federal income tax withholding under Code §3401(a), and all other payments of compensation to an Employee by the Employer (in the course of the Employer's trade or business) for which the Employer is required to furnish the Employee a written statement under Code §§6041(d) and 6051(a)(3). Compensation must be determined without regard to any rules under Code §3401(a) that limit the remuneration included in wages based on the nature or location of the employment or the services performed.

Compensation also includes the Elective Deferrals made under this SIMPLE IRA Plan and, if applicable, compensation deferred under a Code §457 plan. Compensation does not include any amounts deferred by the Employee pursuant to a Code §125 cafeteria plan.

In determining an Employee's Compensation for prior years, the Employee's elective deferrals under a Code §401(k) plan, SARSEP or Code §403(b) arrangement are also counted as Compensation.

For Self-Employed Individuals, Compensation is Earned Income from self-employment. "Earned Income" means the net earnings from self-employment with respect to the Employer determined under Code §1402(a), without regard to Code §1402(c)(6), prior to subtracting any contributions made pursuant to the plan on behalf of the Individual.

1.3 "Effective Date" means the date on which the SIMPLE IRA Plan, or an amendment thereto, becomes effective. The Effective Date must be January 1 of the applicable year. If this is the first year for which the Employer is adopting a SIMPLE IRA Plan, the Effective Date may be any date between January 1 and October 1, inclusive of the applicable year.

1.4 "Elective Deferrals" means the employer contributions made at the election of a Participant via a Salary Deferral Agreement in lieu of cash Compensation. Elective Deferrals must be made pursuant to a Salary Deferral Agreement.

No Elective Deferrals may be made by an Employee on the basis of Compensation that the Employee received or had a right to receive before the date on which the Employee commences participation in the SIMPLE IRA Plan and the Employee's execution of a Salary Deferral Agreement.

1.5 "Employee" means any individual, including a Self-Employed Individual, who is determined to be an Employee, including leased employees described under Code §414(n) and employees described under Code §414(o) of the Employer, as defined in paragraph 1.6.

1.6 "Employer" means the eligible entity adopting this SIMPLE IRA Plan, including any eligible entity that succeeds the Employer and adopts this SIMPLE IRA Plan. For the purpose of this SIMPLE IRA Plan, Employer shall also mean the Employer that adopts this SIMPLE IRA Plan and all members of a controlled group of corporations (as defined in Code §414(b)), all commonly controlled trades or businesses (as defined in Code §414(c)) and all affiliated service groups (as defined in Code §414(m)) of which the adopting Employer is a part. Employer shall also include any other entity required to be aggregated with the Employer pursuant to Code §414(o).

1.7 "Matching Contributions" means employer contributions to a Participant's SIMPLE IRA on his or her behalf attributable to the amount of his or her Elective Deferrals under the SIMPLE IRA Plan.

1.8 "Nonelective Contributions" means employer contributions that are contributed to a Participant's SIMPLE IRA on his or her behalf in proportion to their Compensation under the SIMPLE IRA Plan.

1.9 "Plan Year" means the calendar year.

1.10 "Salary Deferral Agreement" means the written agreement between the Employer and a Participant in which the Participant authorizes the Employer to withhold and deposit a portion of his or her Compensation to his or her SIMPLE IRA.

1.11 "Self-Employed Individual" means a person who has Earned Income for the taxable year from the trade or business for which the SIMPLE IRA Plan is established including an individual who would have had Earned Income but for the fact that the trade or business had no net profits for the taxable year.

1.12 "SIMPLE IRA" means an American Funds SIMPLE Individual Retirement Account is established pursuant to the terms of the American Funds SIMPLE Individual Retirement Account Custodial Agreement upon execution of an American Funds SIMPLE IRA Application by or on behalf of a Participant.

1.13 "SIMPLE IRA Plan" means this Savings Incentive Match Plan for Employees, including the attached Adoption Agreement.

1.14 "Sponsor" means American Funds Distributors, Inc.* or any successor(s) or assign(s).

1.15 "Custodian" means Capital Bank and Trust Company or any successor thereto.

Article II — Eligibility Requirements

2.1 Eligible Employer. The Employer will be an eligible Employer if, with respect to any year, the Employer had no more than 100 Employees who received at least \$5,000 of Compensation from the Employer for the preceding calendar year. Additionally, the Employer may not maintain any other qualified plan (as defined in Code §219(g)(5)(A) or (B)) with respect to which contributions were made, or benefits were accrued, in any year in the period beginning with the year this SIMPLE IRA Plan became effective and ending with the year for which a determination is being made. Except this one-plan requirement is not violated if the Employer maintains another qualified plan that limits participation to Employees covered under a collective bargaining agreement described in Code §410(b)(3)(A) and eligibility to participate in this SIMPLE IRA Plan is limited to other Employees.

2.2 Two-Year Grace Period. An Employer who properly establishes and maintains this SIMPLE IRA Plan for one or more years, and who subsequently fails to be an Eligible Employer in a calendar year pursuant to paragraph 2.1, shall be treated as an Eligible Employer for the two years following the last year the Employer was eligible. During this period, employees who would be employed by another employer involved in the transaction, had the transaction not occurred, are not eligible to participate in this SIMPLE IRA Plan unless the other employer executes a Co-Sponsor Adoption Page as a Co-Sponsor. If, after expiration of the two-year grace period, the Employer fails to comply with the eligibility requirement of paragraph 2.1, the Employer must terminate this SIMPLE IRA Plan. However, if such failure is due to an acquisition, disposition or similar transaction involving the Employer, the preceding sentence shall apply only in accordance with rules similar to the rules of Code §410(b)(6)(C)(i).

2.3 Participation. Employees shall be eligible to participate in this SIMPLE IRA Plan the first day of the first Plan Year after they have met the SIMPLE IRA Plan's eligibility requirements as set forth in the Adoption Agreement. In no event shall an Employee receiving at least \$5,000 in Compensation (or such lesser amount, if provided in the Adoption Agreement) from the Employer during any two prior years, or such lesser period if provided in the Adoption Agreement, and who is reasonably expected to receive at least \$5,000 in Compensation, or such lesser amount, if provided in the Adoption Agreement, during the current year be excluded from the SIMPLE IRA Plan unless he or she is a member of a class that has been excluded by the Employer in the Adoption Agreement. There are no age or service requirements for an Employee to participate in this SIMPLE IRA Plan.

2.4 Exclusions From Eligibility. If elected in the Adoption Agreement, the following classification of Employees may be excluded from participation in the SIMPLE IRA Plan:

- (a) Employees who are part of a collective bargaining unit if retirement benefits have been the subject of good faith bargaining, and/or
- (b) Nonresident aliens with no taxable income from U.S. sources.

*On 7/1/2024, American Funds Distributors, Inc was renamed Capital Client Group, Inc.

2.5 Change in Employment Class. If an Employee who is not a member of an eligible class of Employees becomes a member of such class, the Employee shall participate as of the date the Employee changes to an eligible class, provided that he or she has satisfied the eligibility requirements under paragraph 2.3, if any. If a Participant becomes ineligible because he or she is no longer a member of an eligible class of Employees, such Participant shall participate as of the date the Employee returns to an eligible class of Employees. A former Participant shall again become a Participant as of the date of his or her rehire by the Employer.

2.6 Employment Rights. Participation in the SIMPLE IRA Plan shall not confer upon a Participant any employment rights, nor shall it interfere with the Employer's right to terminate the employment of any Employee.

2.7 Plan Notice. The Employer shall notify each Eligible Employee immediately before each 60-day Enrollment Period of the Employee's opportunity to make an election. The notice shall include a copy of the summary description as described in Code §408(l)(2)(B). Code §6693(c)(1) provides that, if an Employer fails to provide one or more notices, such Employer may be subject to a penalty of \$50 per day for each day there is a failure to provide such notice.

Article III — Employee Contributions

3.1 Elective Deferral. A Participant may make Elective Deferrals to this SIMPLE IRA Plan by executing a Salary Deferral Agreement. The amount that a Participant may elect to contribute may be expressed as a percentage of Compensation.

Elective Deferrals may not be based on Compensation a Participant has received, or had a right to receive, prior to the date on which such Participant commenced participation in this SIMPLE IRA Plan and the execution of the Participant's Salary Deferral Agreement.

Each Participant may elect to participate in the SIMPLE IRA Plan and, in subsequent years, change his or her deferral election during the "Enrollment Period" or as otherwise provided in the Adoption Agreement.

"Enrollment Period" means for the first Plan Year of the SIMPLE IRA Plan, a 60-day period that includes or extends beyond the Effective Date and begins no later than the Effective Date, or, a 60-day period that begins before the Effective Date and concludes no sooner than the day before the Effective Date. For any Plan Year, other than the first Plan Year of the SIMPLE IRA Plan, in which an Employee first becomes eligible to participate, the Enrollment Period is the 60-day period that ends on the date the Employee becomes eligible. The Enrollment Period for all subsequent years is the 60-day period immediately preceding the first day of the Plan Year.

In the case of an Employee who becomes an eligible Employee other than at the beginning of a calendar year because 1) this plan does not impose a prior-year-compensation requirement, 2) the Employee satisfied this plan's prior-year-compensation requirement during a prior period of employment with the Employer or 3) this plan is first effective after the beginning of a calendar year, the eligible Employee must be permitted to make or modify a salary reduction election during the 60-day period

that begins on the day Plan Notice is provided to the Employee and that includes the day the Employee becomes an eligible Employee or the day before.

The Salary Deferral Agreement will become effective as soon as practical after receipt by the Employer (or, if later, the date specified by the Participant in the Salary Deferral Agreement), but any election made by the Participant may be modified prospectively any time during the 60-day period.

In addition to the elections allowed above, a Participant may make or change his or her deferral election as provided in the Adoption Agreement. If an election is made or modified during one of these other election periods, it will become effective as soon as practical after the receipt of the election by the Employer or if later, the date specified by the Participant in the Salary Deferral Agreement. A Participant may elect to stop participating in the SIMPLE IRA Plan at any time during the year. If elected in the Adoption Agreement, a Participant who terminates his or her Salary Deferral Agreement may resume participation prior to the beginning of the next Plan Year.

A Participant who would attain age 50 or over by the end of the year can elect to have his or her Compensation reduced by an additional amount of \$500 for 2002, \$1,000 for 2003, \$1,500 for 2004, \$2,000 for 2005, and \$2,500 for 2006 and later years. After 2006, the maximum additional amount will be adjusted by the Secretary of the Treasury for cost-of-living increases under Code §414(v)(2)(C). Such adjustments will be in multiples of \$500.

3.2 Contribution of Elective Deferrals. The Employer must deposit the Elective Deferrals to each Participant's SIMPLE IRA as of the earliest date on which those contributions can reasonably be segregated from the Employer's general assets, but in no case later than the close of the 30-day period following the last day of the month to which such Elective Deferrals relate.

3.3 Limit on Elective Deferrals. A Participant's total annual Elective Deferrals are limited to \$7,000 for 2002, \$8,000 for 2003, \$9,000 for 2004, and \$10,000 for 2005 and later years. After 2005, the maximum amount will be adjusted by the Secretary of the Treasury for cost-of-living increases under Code §408(p)(2)(E). Such adjustments will be in multiples of \$500.

Article IV — Employer Contributions

4.1 Contribution Requirement. The Employer is required to make a contribution on behalf of eligible Participants in accordance with the requirements of either paragraph 4.2 or 4.3 below.

4.2 Matching Contribution. The Employer may elect to match each Participant's Elective Deferrals on a dollar-for-dollar basis up to 3% of each Participant's Compensation. As an alternative, the Employer may elect to match Elective Deferrals on a dollar-for-dollar basis on a lower percentage of Compensation (not less than 1%) for any Plan Year. If the Employer makes this election for any Plan Year, the Employer must notify Employees of the election within a reasonable period before the 60th day preceding the beginning of such Plan Year.

The election to match on a lower percentage for any Plan Year may not result in the Matching Contribution being less than 3% of Compensation for more than two of the years in the period of five calendar years ending with such Plan Year. If any year in the five-year period is a year prior to the Effective Date of this SIMPLE IRA Plan or any year the Employer makes nonelective contributions to a SIMPLE IRA Plan, the Employer shall be treated as if it had made a 3% Matching Contribution for such Plan Year.

4.3 Nonelective Contribution. In lieu of the Matching Contribution described in paragraph 4.2, the Employer may elect to make a Nonelective Contribution of 2% of Compensation for each eligible Employee for the current year. For purposes of the 2% Nonelective Contribution, the Compensation taken into account for any year shall not exceed the compensation limit in effect for such year under §401(a)(17) of the Code as adjusted by the Secretary of the Treasury for increases in the cost-of-living in accordance with Code §417(a)(17)(B). Such adjustments will be in multiples of \$5,000. (The Compensation limit for 2016 is \$265,000.) If the Employer makes this election for any Plan Year, the Employer must notify Employees of the election within a reasonable period before the 60th day preceding the beginning of such Plan Year.

4.4 Timing of Employer Contributions. Matching Contributions and Nonelective Contributions must be deposited to each Participant's SIMPLE IRA by the Employer's tax filing due date, plus extensions. Matching Contributions and Nonelective Contributions are deductible in the taxable year of the Employer that ends with or within the Plan Year for which such contributions were made. Matching and Nonelective Contributions shall be treated as made for a taxable year if they are made on account of the taxable year and made not later than the Employer's tax filing due date, plus extensions.

4.5 No Other Contributions. Employee Elective Deferrals under paragraph 3.1, Matching and Nonelective Contributions under paragraphs 4.2 and 4.3, respectively, are the only contributions that may be made to this SIMPLE IRA Plan.

Article V — Vesting

A Participant's interest in his or her Elective Deferrals, Matching Contributions and Nonelective Contributions, including the earnings thereon, is 100% vested and nonforfeitable at all times.

Article VI — Treatment of Excess Contributions

The maximum amount of Elective Deferrals that may be contributed to each Participant's SIMPLE IRA in a Plan Year is limited to \$12,500, as adjusted. If excess Elective Deferrals are made to a Participant's SIMPLE IRA for a Plan Year, he or she must withdraw the excess from the SIMPLE IRA (plus investment earnings thereon) by the April 15 immediately following the end of the Plan Year in which the excess was deferred.

If the excess Elective Deferrals (plus investment earnings thereon) are distributed within the time period provided above, the excess Elective Deferrals are included in the Participant's gross income for the calendar year in which contributed and any income

Savings Incentive Match Plan for Employees for use with a SIMPLE Retirement Account

thereon is taxable in the calendar year withdrawn. If the excess Elective Deferrals (plus investment earnings thereon) are not distributed within the specified time period, the excess Elective Deferrals are subject to the contribution limits of Code §§219 and 408 and may be considered an excess contribution to the Participant's SIMPLE IRA. Such excess Election Deferrals may be subject to the 6% tax on excess contributions pursuant to Code §4973. Income on the excess Elective Deferrals withdrawn from the SIMPLE IRA after the time period provided above may be subject to the 10% tax on early distributions pursuant to Code §72(t) if the recipient Participant has not attained age 59½.

If less than 100% of the excess Elective Deferrals and any income thereon is distributed, the distribution is treated as if ratably received from the excess Elective Deferrals and the income thereon.

Article VII — Participant Accounts

7.1 SIMPLE Retirement Accounts. This SIMPLE IRA Plan must be used in conjunction with a SIMPLE IRA. Each Employee, upon becoming a Participant under the SIMPLE IRA Plan, shall establish a SIMPLE IRA in accordance with the rules and regulations established by agreement between the Custodian and the Employer.

7.2 Determination of Deposit. When making a contribution under the SIMPLE IRA Plan, the Employer shall calculate each Participant's proportionate share of the Employer's contribution for that Plan Year. The Employer shall then deliver the contribution to the Custodian indicating the amount to be credited to each Participant's SIMPLE IRA.

7.3 Control of the Account. All contributions made under the SIMPLE IRA Plan by the Employer shall be irrevocable. After allocation to a Participant's SIMPLE IRA, the Employer shall have no further control of such contribution and the terms of the Participant's SIMPLE IRA shall be fully effective and controlling.

7.4 Allocation of Elective Deferrals. The Employer shall contribute to each Participant's SIMPLE IRA the amount of the Elective Deferrals designated in his or her Salary Deferral Agreement, up to the contribution limits allowed by applicable law.

Article VIII — Administration

8.1 Plan Administrator. The Employer shall be the Plan Administrator, unless such duties are designated to another party. The duties of the Plan Administrator shall include:

- (a) carrying out the provisions of the SIMPLE IRA Plan, including determining eligibility of Employees, allocating contributions and interpreting the SIMPLE IRA Plan when necessary;
- (b) delivering all contributions to the Custodian, showing the amount to be allocated to each Participant's SIMPLE IRA;
- (c) communicating with Employees regarding their participation and benefits under the SIMPLE IRA Plan;
- (d) advising Employees in writing of all contributions to their SIMPLE IRAs;

- (e) performing any other duties required of the Plan Administrator;
- (f) insuring that no contribution exceeds the limits imposed by Code §408(p) or any other applicable law, regulation or order;
- (g) executing necessary documents to establish a SIMPLE IRA with the Custodian for eligible Employees; and
- (h) providing the Plan notice described in paragraph 2.7 to eligible Employees.

8.2 Custodian. The Custodian shall be depository for individual SIMPLE IRAs, established by or on behalf of Participants. As depository, the Custodian shall:

- (a) accept for deposit contributions transmitted by the Employer; and
- (b) administer each individual SIMPLE IRA in accordance with the provisions of the SIMPLE IRA agreement.

The Custodian shall not need to verify the amount of the contributions received or the amounts allocated to individual SIMPLE IRAs.

8.3 Designated Financial Institution. The Custodian agrees to serve as the Designated Financial Institution, receiving all contributions made pursuant to this SIMPLE IRA Plan and depositing those contributions to the SIMPLE IRA of each Participant as soon as practicable. Upon request of any Participant, the Custodian also agrees to transfer the Participant's balance in the SIMPLE IRA established hereunder to another SIMPLE IRA without cost or penalty to the Participant, if such SIMPLE IRA's investments meet the requirements of the Custodian for transfer without cost or penalty.

8.4 Withdrawals. A Participant may withdraw contributions made to the Participant's SIMPLE IRA, including the earnings thereon, at any time. However, if the Participant makes any withdrawals prior to the time he or she attains age 59½, the Participant will be subject to a penalty unless an exception applies. The penalty is contingent on the Participant's period of participation in the SIMPLE IRA Plan. If the Participant has been participating in the SIMPLE IRA Plan for two years or less, withdrawals prior to age 59½ will be subject to a 25% penalty, unless an exception applies under the Code. Similarly, if the Participant has been participating in the SIMPLE IRA Plan for more than two years, withdrawals prior to age 59½ will be subject to a 10% penalty, unless an exception applies under the Code.

8.5 Rollovers. A Participant may roll over contributions made to the Participant's SIMPLE IRA, including the earnings thereon, to another SIMPLE IRA at any time. If the Participant is under age 59½ and such Participant would like to roll over his or her SIMPLE IRA to an IRA, the Participant may only do so after a two-year period beginning from the time he or she first participated in the SIMPLE IRA Plan.

8.6 Use of IRS Compliance Programs. Nothing in this SIMPLE IRA Plan should be construed to limit the availability of the IRS' voluntary compliance programs, the Employee Plans Compliance Resolution System (which encompasses the Administrative Policy Regarding Self-Correction, the Walk-in CAP, Audit CAP, and the Voluntary Compliance Resolution Program).

Article IX — Amendment and Termination

9.1 Amendment by Sponsor. The Sponsor may amend this SIMPLE IRA Plan at any time without obtaining the approval or consent of the Employer or Participant(s) provided that no amendment shall authorize or permit any SIMPLE IRA Plan asset to be used for or diverted to purposes other than the exclusive benefit of Participants and their beneficiaries. The Sponsor will inform each adopting Employer of any amendments to or termination of the SIMPLE IRA Plan.

9.2 Amendment by Employer. The Employer may amend any option elected in the Adoption Agreement provided that no amendment shall authorize or permit any part of the Employer's contribution to be used for or diverted to purposes other than for the exclusive benefit of Participants.

9.3 Plan Amendments. Any amendment to this SIMPLE IRA Plan can become effective only at the beginning of a calendar year and must conform to the content of the Plan notice for the calendar year.

9.4 Termination. The Employer may terminate the Plan upon 60 days' written notice to the Custodian. In such event, the Custodian, if applicable, shall continue to administer each Participant's SIMPLE IRA as provided under the SIMPLE IRA agreement. The Sponsor may also terminate the SIMPLE IRA Plan upon written notice to the Employer.

Article X — Governing Law

Construction, validity and administration of this SIMPLE IRA Plan shall be governed by federal law. Where there is no applicable federal law, this SIMPLE IRA Plan shall be governed by, construed in accordance with and administered under the laws of the State of California. Each party agrees that all actions or proceedings instituted by the Custodian, Employer, Participant, Beneficiary or any interested party arising under or growing out of this Agreement shall be brought in the state or federal courts of California. In the event of reasonable doubt respecting the proper course of action to be taken with respect to the SIMPLE IRA Plan, the Custodian may, in its sole and absolute discretion, resolve such doubt by judicial determination that shall be binding on all parties who may claim any interest in the SIMPLE IRA Plan. A judicial determination may include, but not be limited to, the Custodian petitioning the appropriate court to remain as Custodian over the SIMPLE IRAs in order to preserve the SIMPLE IRA's federal tax-deferred status pending the court's resolution of the SIMPLE IRA Plan. In the event of any such judicial determination, all court costs, legal expenses, reasonable compensation for the time expended by the Custodian and any other expenses and costs, including reasonable attorney's fees, shall be collected by the Custodian from the SIMPLE IRA(s) in accordance with the terms of the SIMPLE IRA(s).

2. SWPPP: STERLING will prepare a SWPPP in accordance with the New York State Department of Environmental Conservation (NYSDEC) State Pollutant Discharge Elimination System (SPDES) General Permit for Stormwater Discharges from Construction Activity, the New York State Stormwater Design Manual, and the New York State Standard Specifications for Erosion and Sediment Controls.

The recommended budget for the described scope of work is **\$12,500**.

Note that the following tasks are not included in the proposed scope of work, but can be provided if requested, at additional cost: Civil site design, attendance at meetings, or performing required construction stormwater inspections.

STERLING ENVIRONMENTAL ENGINEERING, P.C.
STANDARD TERMS AND CONDITIONS

1. STANDARD OF CARE.

Services shall be performed in accordance with the standard of professional practice ordinarily exercised by the applicable profession at the time and within the locality where the Services are performed. Professional services are not subject to, and ENGINEER cannot provide, any warranty or guarantee, express or implied, including warranties or guarantees contained in any uniform commercial code. Any such warranties or guarantees contained in any purchase orders, requisitions or notices to proceed issued by CLIENT are specifically objected to.

2. CHANGE OF SCOPE.

The scope of Services set forth in this Agreement is based on facts known at the time of execution of this Agreement, including, if applicable, information supplied by CLIENT. For some projects involving conceptual or process development services, scope may not be fully definable during initial phases. As the Project progresses, facts discovered may indicate that scope must be redefined.

3. SAFETY.

ENGINEER has established and maintains corporate programs and procedures for the safety of its employees. Unless specifically included as a service to be provided under this Agreement, ENGINEER specifically disclaims any authority or responsibility for general job site safety and safety of persons other than ENGINEER employees.

4. DELAYS.

If events beyond the control of CLIENT or ENGINEER, including, but not limited to, fire, flood, explosion, riot, strike, war, process shutdown, act of God or the public enemy, and act or regulation of any government agency, result in delay to any schedule established in this Agreement, such schedule shall be amended to the extent necessary to compensate for such delay. In the event such delay exceeds 60 days, ENGINEER shall be entitled to an equitable adjustment in compensation.

5. TERMINATION/SUSPENSION.

Either party may terminate this Agreement upon 30 days written notice to the other party. CLIENT shall pay ENGINEER for all Services, including profit relating thereto, rendered prior to termination, plus any expenses of termination.

In the event either party defaults in its obligations under this Agreement (including CLIENT'S obligation to make the payments required hereunder), the non-defaulting party may, after seven (7) days written notice stating its intention to suspend performance under the Agreement if cure of such default is not commenced and diligently continued, and failure of the defaulting party to commence cure within such time limit and diligently continue, suspend performance under this Agreement.

CLIENT agrees that ENGINEER'S liability to CLIENT for any and all injuries, claims, losses, expenses or damages whatsoever arising out of or in any way related to the project or this Agreement from any causes including, but not limited to, ENGINEER'S negligence, errors, omissions, strict liability, or breach of contract and whether claimed directly or by way of contribution shall not exceed the total compensation received by ENGINEER under this Agreement.

6. OPINIONS OF CONSTRUCTION COST.

Any opinion of construction costs prepared by ENGINEER is supplied for the general guidance of the CLIENT only. Since ENGINEER has no control over competitive bidding or market conditions, ENGINEER cannot guarantee the accuracy of such opinions as compared to contract bids or actual costs to CLIENT.

7. RELATIONSHIP WITH CONTRACTORS.

ENGINEER shall serve as CLIENT'S professional representative for the Services, and may make recommendations to CLIENT concerning actions relating to CLIENT'S contractors, but ENGINEER specifically disclaims any authority to

direct or supervise the means, methods, techniques, sequences or procedures of construction selected by CLIENT'S contractors.

CLIENT agrees that if ENGINEER is not retained for construction phase of project that such constitutes termination as provided by Paragraph 5 above.

8. JOBSITE SAFETY.

Neither the professional activities of the ENGINEER, nor the presence of the ENGINEER or his or her employees and subconsultants at a construction site, shall relieve the General Contractor and any other entity of their obligations, duties and responsibilities including, but not limited to, construction means, methods, sequence, techniques or procedures necessary for performing, superintending or coordinating all portions of the Work of construction in accordance with the contract documents and any health or safety precautions required by any regulatory agencies. The ENGINEER and his or her personnel have no authority to exercise any control over any construction contractor or other entity or their employees in connection with their work or any health and safety precautions. The CLIENT agrees that the General Contractor is solely responsible for the jobsite safety, and warrants that this intent shall be made evident in the CLIENT'S agreement with the General Contractor.

The CLIENT also agrees that the CLIENT, the ENGINEER and the ENGINEER'S consultants shall be indemnified and shall be made additional insureds under the General Contractor's general liability insurance policy.

9. CONSTRUCTION REVIEW.

For projects involving construction, CLIENT acknowledges that under generally accepted professional practice, interpretations of construction documents in the field are normally required, and that performance of construction-related services by the ENGINEER for the project permits errors or omissions to be identified and corrected at comparatively low cost. CLIENT agrees to hold ENGINEER harmless from any claims resulting from performance of construction related services by persons other than ENGINEER.

10. INSURANCE.

ENGINEER will maintain insurance coverage for Professional, Comprehensive General, Automobile, Worker's Compensation, and Employer's Liability in amounts in accordance with legal, and ENGINEER'S business requirements. Certificates evidencing such coverage will be provided to CLIENT upon request. For projects involving construction, CLIENT agrees to require its construction contractor, if any, to include ENGINEER as an additional insured on its policies relating to the Project. ENGINEER'S coverage referenced above shall, in such case, be excess over contractor's primary coverage.

11. HAZARDOUS MATERIAL.

Hazardous materials may exist at a site where there is no reason to believe they could or should be present. ENGINEER and CLIENT agree that the discovery of unanticipated hazardous materials constitutes a changed condition mandating a renegotiation of the scope of work. ENGINEER agrees to notify CLIENT as soon as practically possible should unanticipated hazardous materials or suspected hazardous materials be encountered. CLIENT acknowledges and agrees that it retains title to all hazardous material existing on the site and shall report to the appropriate Federal, State or local public agencies, as required, any conditions at the site that may present a potential danger to the public health, safety or the environment. CLIENT shall execute any manifests or forms in connection with transportation, storage and disposal of hazardous materials resulting from the site or work on the site or shall authorize ENGINEER to execute such documents as CLIENT'S agent. CLIENT waives any claim against ENGINEER and agrees to defend, indemnify, and save ENGINEER harmless from any claim or liability for injury or loss arising from ENGINEER'S discovery of unanticipated hazardous materials or suspected hazardous materials.

12. RULES, REGULATIONS, STATUTES AND PERMITS.

CLIENT agrees to abide by all applicable rules, regulations, statutes and permits. CLIENT recognizes that ENGINEER cannot control the actions of other parties,

13. INDEMNITIES.

To the fullest extent permitted by law, ENGINEER shall indemnify and save harmless CLIENT from and against loss, liability, and damages sustained by CLIENT, its agents, employees, and representatives by reason of injury or death to persons or damage to tangible property to the extent caused directly by the willful misconduct or failure to adhere to the standard of care described in Paragraph 1 above of ENGINEER, its agents or employees.

CLIENT also agrees to require its construction contractor, if any, to include ENGINEER as an indemnitee under any indemnification obligation to CLIENT.

14. LIMITATIONS OF LIABILITY.

No employee or agent of ENGINEER shall have individual liability to CLIENT.

IN NO EVENT AND UNDER NO CIRCUMSTANCES SHALL ENGINEER BE LIABLE TO CLIENT FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES.

15. ACCESS.

CLIENT shall provide ENGINEER safe access to any premises necessary for ENGINEER to provide the Services.

16. REUSE OF PROJECT DELIVERABLES.

Reuse of any documents or other deliverables, including electronic media, pertaining to the Project by CLIENT for any purpose other than that for which such documents or deliverables were originally prepared, or alteration of such documents or deliverables without written verification or adaptation by ENGINEER for the specific purpose intended, shall be at the CLIENT's risk. Further, all title blocks and the ENGINEER's seal, if applicable, shall be removed if and when CLIENT provides deliverables in electronic media to another entity. CLIENT agrees that relevant analyses, findings and reports provided in electronic media shall also be provided in "hard copy" and that the hard copy shall govern in the case of a discrepancy between the two versions, and shall be held as the official set of drawings, as signed and sealed. CLIENT shall be afforded a period of 30 days in which to check the hard copy against the electronic media. In the event that any error or inconsistency is found as a result of this process, ENGINEER shall be advised and the inconsistency shall be corrected at no additional cost to CLIENT. Following the expiration of this 30-day period, CLIENT shall bear all responsibility for the care, custody and control of the electronic media. In addition, CLIENT represents that it shall retain the necessary mechanisms to read the electronic media, which CLIENT acknowledges to be of only limited duration. CLIENT agrees to defend, indemnify, and hold harmless ENGINEER from all claims, damages, and expenses, (including reasonable litigation costs), arising out of such reuse or alteration by CLIENT or others acting through CLIENT.

17. AMENDMENT.

This Agreement, upon execution by both parties hereto, can be amended only by a written instrument signed by both parties.

18. ASSIGNMENT.

Except for assignments (a) to entities which control, or are controlled by, the parties hereto or (b) resulting from operation of law, the rights and obligations of this Agreement cannot be assigned by either party without written permission of the other party. This Agreement shall be binding upon and inure to the benefit of any permitted assigns.

19. STATUTES OF LIMITATION.

To the fullest extent permitted by law, parties agree that, except for claims for indemnification, the time period for bringing claims under this Agreement shall expire one year after Project completion.

20. DISPUTE RESOLUTION.

Parties shall attempt to settle disputes arising under this Agreement by discussion between the parties senior representatives of management. If any dispute cannot be resolved in this manner, within a reasonable length of time, parties agree to attempt non-binding mediation or any other method of alternative dispute resolution prior to filing any legal proceedings. In the event any actions are brought to enforce this Agreement, the prevailing party shall be entitled to collect its litigation costs from the other party.

In the event of any litigation arising from or related to the services provided under the Agreement, the prevailing party will be entitled to recovery of all reasonable costs incurred, including staff time, court costs, attorney's fees and other related expenses.

21. NO WAIVER.

No waiver by either party of any default by the other party in the performance of any particular section of this Agreement shall invalidate any other section of this Agreement or operate as a waiver of any future default.

22. NO THIRD-PARTY BENEFICIARY.

Nothing contained in this Agreement, nor the performance of the parties hereunder, is intended to benefit, nor shall inure to the benefit of, any third party, including CLIENT's contractors, if any.

23. SEVERABILITY.

The various terms, provisions and covenants herein contained shall be deemed to be separate and severable, and the invalidity or enforceability of any of them shall not affect or impair the validity or enforceability of the remainder.

Subject: Proposal for Professional Services
Roundhouse Road Stormwater Pollution Prevention Plan (SWPPP)
Otsego County, NY

Dear Mr. Zakrevsky,

As requested, Sterling Environmental Engineering, P.C. (STERLING) is pleased to submit this proposal for professional services in support of redevelopment of the Oneonta Railyards, Tax Parcel 299.11-2-3.11 (78.79 Acres) along Round House Road, Oneonta, New York. The parcel is currently vacant with remains of prior industrial use. We understand from the IDA seeks to clear approximately 25 acres to support redevelopment.

A Generic Environmental Impact Statement (GEIS) was prepared in 2018 that describes the historical use and current condition of the parcel. The parcel area north of Roundhouse Road contains extensive State and Federal wetlands that restrict development. Note that New York State Freshwater Wetland Regulations were revised effective January 1, 2025 that invalidate all prior freshwater wetland delineations and require current jurisdictional determinations and delineations if there is the potential for freshwater wetlands on a project site. The target 25-acre clearing area is outlined below on a map from the NYSDEC Environmental Resource Mapper showing the locations of potential wetlands.

"Serving our clients and the environment since 1993"

RECOMMENDED SCOPE OF WORK

The following scope of work is recommended in support of a project to clear the 25-acre area:

1. Jurisdictional Determination: STERLING will submit a Jurisdictional Determination request to NYSDEC for confirmation of wetland limits. We request a copy of the previously completed wetland delineation that is referenced in the GEIS. If a current wetland delineation is required following consultation with NYSDEC, a separate proposal will be provided.
2. Preliminary SWPPP: STERLING will prepare a preliminary SWPPP with supporting drawings that outline the clearing area and earthwork required to clear, grade, and prepare the work area for future development. The SWPPP will be prepared in accordance with the New York State Department of Environmental Conservation (NYSDEC) State Pollutant Discharge Elimination System (SPDES) General Permit for Stormwater Discharges from Construction Activity, the New York State Stormwater Design Manual, and the New York State Standard Specifications for Erosion and Sediment Controls. We assume that all soil will remain onsite and that existing concrete debris will be crushed and used onsite a construction aggregate. Post-construction stormwater management practices will be designed based on the cleared area. We request any survey or drawings of the existing conditions in executable AutoCAD format (i.e., .dwg).
3. Local Permitting: STERLING assumes that a permit will be required from the City of Oneonta pursuant to §118-3 of the City Code. STERLING will assist in the preparation of the required application forms, plans, and specifications. We assume that Site Plan review by the Planning Commission is not required for this initial clearing scope of work. Should the City determine that Site Plan review is required, additional budget may be required.
4. Request For Proposal: STERLING will prepare a Request for Proposal (RFP) to complete the scope of work presented in the Preliminary SWPPP. The RFP will follow the "simple" format based on examples provided by the IDA. Procurement is assumed to be administered by the IDA.

RECOMMENDED BUDGET

The recommended budget for the described scope of work is summarized in the following table:

Scope of Work	Recommended Budget
Document Review & Project Management	\$2,500
Wetland Jurisdictional Determination	\$1,000
Preliminary SWPPP	\$10,000
Local Permitting	\$5,000
Request for Proposal	\$3,000
Recommended Total Budget	\$21,500

Costs will be billed on a time and material basis, as incurred at STERLING's hourly rates and in accordance with the attached Standard Terms and Conditions. This cost estimate is limited to the described scope of work. If additional services are deemed appropriate, STERLING can provide these at additional cost upon authorization.

If this proposal is acceptable, please sign the authorization below and initial each page of the Standard Terms and Conditions and return a copy to STERLING. Invoices will be provided monthly for the work performed during that period. Invoices are due upon receipt unless other arrangements are made in advance.

STERLING is prepared to begin work immediately upon receiving the executed authorization letter.
