RE: Audit & Finance Committee and Projects Committee Meetings – March 10, 2022

The public is welcome to attend IDA Committee meetings and Board meetings, but due to the size of our board room, we ask that you consider attending virtually. Board members and members of the public attending in-person meetings will be required to wear a mask. Minutes of both board meetings will be transcribed and posted on the Agency's website. Members of the public may view or listen to the board meetings by using GoToMeeting video conferencing or dial-in instructions outlined below and will be given a chance to speak during the public comment period. A recording of the meeting will be available after the meeting, via the agency's Youtube channel.
